Professional Training

I am up to date and exceed continuing education requirements for speech language pathology. I participate in both online and in-person education venues to enhance my knowledge base and keep current with research based treatment options for a variety of subjects including, but not limited to, dyslexia, dysphagia, social communication and apraxia. In addition, the following is a listing of programs in which I have also received training.

- Braidy Story Braid
- LIPS (The Lindamood Phoneme Sequencing)
- PECS (Picture Exchange Communication System)
- PMT (Physical/Psychological. Management Training)
- PROMPT (Prompts for Restructuring Oral Muscular Phonetic Targets)
- SCERT (Social-Communication, Emotional Regulation, and Transactional Support)
- Visualizing and verbalizing

Professional Committees

I currently serve on the following interdisciplinary committees:

- Climate Committee (formally Positive Behavioral Intervention and Supports Committee)
- Dyslexia Committee
 - RTI Phonology Dyslexia Sub-committee

Grants

Innovative Grant 2009 - 2010 Orange BOE Joan Black and Shari Chase

First steps in Social Skills program designed to teach necessary skills to ensure teamwork, thoughtful decision making, and independent problem solving through authentic theme based literature.

Innovative Grant 2008-2009 Orange BOE Joan Black and Shari Chase

“Wii all play together” program, which was designed to facilitate social interaction between students with social communication deficits and their typical peers utilizing the wii game system.
