

VITA

KELLY MABRY

WORK ADDRESS:

SOUTHERN CONNECTICUT STATE UNIVERSITY
DAVIS HALL, M012
NEW HAVEN, CT 06515
(203) 392-5986

HOME ADDRESS:

48 CONSTITUTION SQUARE
MANSFIELD, CT 06250
C: (860) 818-0147

EMAIL: kmabryinc@yahoo.com

EDUCATION

University of Connecticut, Storrs, CT

Doctor of Philosophy, Speech Science, December, 2002

Southern Connecticut State University, New Haven, CT

Master's of Science, Speech-Language Pathology, September, 1988

Bachelor of Science, Communication Disorders, August, 1986

LICENSE & CERTIFICATION

State of Connecticut, Department of Health Services

-Current license, Speech Pathologist (#001904)

American Speech-Language-Hearing Association

-Current Certificate of Clinical Competence, SLP (#01079234-02)

TEACHING EXPERIENCE

Southern Connecticut State University, New Haven, CT

Associate Professor: Promotion and Tenure Granted May 2015

Assistant Professor: 2011 – 2015

Courses: CMD 201, CMD 203, CMD 420, CMD 461, CMD 531, CMD 583

Guest Lecturer: “Clinical Management of Speech Disorders in the Craniofacial Population”, Fall 2003

Clinical Supervisor

COMM 356-01, Voice Practicum, Summer 1994

University of Connecticut Health Center, The School of Medicine, Farmington, CT

Clinical Instructor, Department of Surgery/Otolaryngology, School of Medicine

MEDS D318, Growth, Development, 1997 – 2010

MEDS D320, Section 1: Basic Oral Physiology, B. Motor Systems (Year 2),
Fall 2002, Spring 2004, Fall 2005

CMPS 1, Correlated Medical Problem Solving
Semester I, 1997-98

University of Connecticut Health Center, The School of Dental Medicine, Craniofacial Science,
Farmington, CT

Clinical Instructor

D200-030: Growth, Development & Aging, 2010 – current (Spring and Winter Sessions)

University of Connecticut, Department of Communication Disorders, Storrs, CT

Adjunct Instructor: COMS 357, Organic Disorders of Communication, Spring 2000, Fall 2010, Spring 2011

Co-Instructor: COMS 361, Advanced Speech Science, Fall 1997

Northern Arizona University, Communication Sciences and Disorders, Flagstaff, AZ

Adjunct Associate Professor: CSD 555, Organic Disorders of Communication, Summer 2006
CSD 525, Voice, Summer 2007, CSD 555 Organic Disorders of Communication, Summer 2007

Central Connecticut State University, New Britain, CT

Adjunct Lecturer

COMM 385-01, Speech & Language Development
Spring 1992, Fall 1993, Spring 1994

COMM 384-01, Nonverbal Communication
Fall 1992, Spring 1993

COMM 381-01, Introduction to Communication Disorders
Fall 1992

PROFESSIONAL EXPERIENCE

Connecticut Children's Medical Center, Hartford, CT 4/96 - current

Craniofacial Speech Pathologist

- Educate/counsel families regarding cleft lip/palate issues
- Provided diagnostic and therapeutic speech/language and interactive communication services to infants and toddlers with delays, craniofacial disorders, and genetic syndromes
- Present in-services to professionals and parent support groups
- Consult with individual school systems to facilitate appropriate speech/language programming
- Conduct/interpret nasendoscopic and videofluoroscopic evaluations for VPI and dysphagia
- Provide feeding assessments and intervention for newborns
- Supervised graduate students during off-campus internships
- Provide on-call services to in-state hospitals for initial assessment of infants born with cleft lip/palate or craniofacial syndromes

University of Connecticut Health Center, Farmington, CT 9/92 - 4/96

Craniofacial Speech Pathologist

- Educate/counsel families regarding cleft lip/palate issues
- Assess children's speech/language with specific emphasis on cleft lip/palate related disorders
- Consult with individual school systems to facilitate appropriate speech/language programming
- Direct/interpret nasendoscopic evaluations (Kay Elemetrics RLS computer system)

Mabry Speech Specialists, Inc., Columbia, CT, 7/94 - 2010

Independent Speech/Language Pathologist

- Provide direct intervention services to B-3 providers
- Consult with area school systems regarding management of children with craniofacial, voice and resonance disorders
- Perform independent speech/language evaluations and provide intervention services

Newington Children's Hospital, Newington, CT, 9/88 - 7/94

Clinical Coordinator, Cleft Palate Center

- Directed team conferences
- Acted as liaison in transition planning to Connecticut Children's Medical Center
- Coordinated patient scheduling
- Organized and directed annual business meetings
- Provided speech pathology services
- Procured external funding for outreach program

Senior Speech Language Pathologist

- Coordinated speech/language and audiology services to multidisciplinary and transdisciplinary programs including the Infant & Toddler Development Program, The Children's Hospital Inpatient Psychiatric Service (CHIPS), and the inpatient Traumatic Brain Injured unit
- Supervised graduate students during off-campus internships
- Provided diagnostic and therapeutic speech/language and interactive communication services to infants and toddlers with delays, disorders, genetic syndromes, neurological impairments, pervasive developmental delays/autism, and voice disorders secondary to organic or traumatic etiologies including tracheostomies

RESEARCH

RESEARCH INTERESTS

- Craniofacial Science
- Professional development and teaching methods
- Genetic syndromes (specifically 22q11.2 Deletion Syndrome, Pierre Robin Syndrome)
- Velopharyngeal function for feeding and speech
- Voice disorders

CURRENT IRB-APPROVED RESEARCH PROJECTS

Clinical Outcomes of the Furlow Z-Plasty Following Primary Cleft Palate Repair

(Connecticut Children's Medical Center, University of Connecticut School of Dental Medicine, Southern Connecticut State University) – Study completed and in process of dissemination

Do Children with 22q11.2 Deletion Syndrome Have a Musical Phenotype?

(Connecticut Children's Medical Center) – Study completed and in process of dissemination

Reaching P.O.: Feeding Outcomes Following Mandibular Distraction Osteogenesis for

Patients with Pierre Robin Sequence. (Connecticut Children's Medical Center)
Study completed and in process of dissemination

22q11.2 Deletion Syndrome: Objective Assessment of a Newly Identified Facial Phenotype. (Connecticut Children's Medical Center) – Study completed and in process of dissemination

Standardized Nasopharyngoscopy for Assessment of Velopharyngeal Insufficiency: Can it Guide Clinical Decision Making? (UCONN Division of Otolaryngology and Connecticut Children's Medical Center) – CCMC IRB Study in progress

Non-Surgical Management of Velopharyngeal Insufficiency in Pediatric Patients With 22q11 Deletion Syndrome. (Connecticut Children's Medical Center) Study completed and in process of dissemination

PEER-REVIEWED PUBLICATIONS

Langevin, K, Mabry, K, & Castiglione, CL (2014) An Uncommon Case: Cleft palate, respiratory Compromise, and Klipel-Feil Anomaly. *Plastic Surgical Nursing Journal*, July-September; 32(3):1-6.

Szabo C, Langevin K, Schoem S, Mabry K (2010) Treatment of persistent middle ear effusion in Cleft palate patients. *International Journal of Pediatric Otorhinolaryngology*. Aug;74(8):874-7.

Khosla RK, Mabry K, Castiglione CL (2008) Clinical outcomes of the Furlow Z-plasty for Primary cleft palate repair. *Cleft Palate Craniofacial Journal*. Sep;45(5):501-10.

Bevilacqua R, Ritoli E-L, Kang C, Mabry K, & Castiglione C (2008) Midmaxillary internal distraction osteogenesis: Ideal surgery for the mature cleft patient. *Plastic and Reconstructive Surgery*. 121 (5): 1768-1778.

Mabry, K. (1993). The role of obturators in speech management for the cleft palate population. *Wide Smiles*, Vol 2, Issue 3.

PEER-REVIEWED PRESENTATIONS

Mabry K, (11/28/17). Multi-Disciplinary Care Presentation Conference NICU. Feeding Strategies for Pierre Robin Sequence in the NICU Setting. Presented at the Fall 2016 CCMC NICU CORE Training Conference, Hartford, CT.

Mabry K, (6/9/17). Multi-Disciplinary Care Presentation Conference NICU. Feeding Strategies for Pierre Robin Sequence in the NICU Setting. Presented at the Fall 2016 CCMC NICU CORE Training Conference, Hartford, CT.

Mabry K, (10/5/2016). Multi-Disciplinary Care Presentation Conference NICU. Feeding Strategies for Pierre Robin Sequence in the NICU Setting. Presented at the Fall 2016 CCMC NICU CORE Training Conference, Hartford, CT.

- Mabry K, (4/21/16). Multi-Disciplinary Care Presentation Conference NICU. Feeding Strategies for Special Populations in the NICU Setting. Presented at the Spring 2016 CCMC NICU CORE Training Conference, Hartford, CT.
- Mabry K, & Rogers T (11/2011). It's All In Your Head, Baby. Feeding Strategies in the NICU for Special Populations. Presented at the 22nd Annual Conference of the Connecticut Organization of Neonatal Nurses, Westbrook, CT.
- Castiglione C, & Mabry K (2002, June). Caring for the Child with 22q11 Deletion Syndrome: A Meeting for Professionals and Families. Palatal Abnormalities in 22q11DS. Symposium sponsored by the Craniofacial Team and Division of Human Genetics, Connecticut Children's Medical Center, Hartford, CT.
- Mabry K (2002, June). Caring for the Child with 22q11 Deletion Syndrome: A Meeting for Professionals and Families. Speech Therapy and 22q11DS. Symposium sponsored by the Craniofacial Team and Division of Human Genetics, Connecticut Children's Medical Center, Hartford, CT.
- Mabry K (2002, May). Craniofacial Speech Management. Two-day workshop presented at the Maine Speech-Language-Hearing Association Spring Conference, Bangor, ME.
- Poole A, Castiglione C, & Mabry K (2000, January). Velocardiofacial Syndrome: The Shprintzen Saga. Paper presented at Pediatric Grand Rounds Sponsored by the University of Connecticut School of Medicine, Office of Continuing Education and Connecticut Children's Medical Center, Hartford, CT
- Mabry K, Greenstein M, & Cartland C (1998, May). Diagnosis and management of craniofacial anomalies: Psychosocial issues and child development. Symposium conducted at the meeting of the Connecticut Society of Dentistry for Children and Connecticut Children's Medical Center, Newington, CT.
- Mabry K, Castiglione C, & Leonard G (1998, May). Diagnosis and management of craniofacial anomalies: Velopharyngeal function and palate repair. Symposium conducted at the meeting of the Connecticut Society of Dentistry for Children and Connecticut Children's Medical Center, Newington, CT.
- Mabry K, & Munroe S (1998). Diagnosis and management of craniofacial anomalies: Early speech intervention for the patient with a cleft. Symposium conducted at the meeting of the Connecticut Society of Dentistry for Children and Connecticut Children's Medical Center, Newington, CT.
- Mabry K (1996). Clinical management of speech & language disorders in the craniofacial population, and Introduction to the craniofacial disorders team. Presentations to graduate faculty, staff and students at the University of Connecticut, Storrs, CT.

REFEREED PRESENTATIONS WITH PUBLISHED ABSTRACTS

- Gargya, V, Castiglione, C, Mabry, K, France, M, Murray, N, & Bevilacqua, R. *A Protocol for Airway Management in Patients with Pierre Robin Sequence Undergoing Mandibular Distraction*. Poster Presentation at the 75th Annual American Cleft Palate Craniofacial Association (ACPCA) National Convention, Pittsburg, PA, April 12, 2018.

- Di Pasquale, LM, Mabry, K, & Bevilacqua, R. *Mandibular Distraction*. Poster Presentation at the 74th Annual American Cleft Palate Craniofacial Association (ACPCA) National Convention, Colorado Springs, CO, March 13-18, 2017.
- Cote, V, Mabry, K, Montiel, M, Brigger, M, Rogers, D, Patel, K, & Hamdan, U. *Outcomes of a New Speech and Language Care Model for Children with Velopharyngeal Insufficiency in Outreach Settings*. Podium Presentation scheduled for the 2017 International Cleft Congress, Chennai, India, February 8-11, 2017.
- Cote, V, Mabry, K, Montiel, M, Brigger, M, Rogers, D, Patel, K, & Hamdan, U. *Development Of a Speech and Language Care Program for Children With Velopharyngeal Insufficiency in Outreach Settings*. Paper presented at the 73rd Annual American Cleft Palate Craniofacial Association (ACPCA) National Convention, Atlanta, GA, April 4-9, 2016.
- Mabry, K, Langevin, K. & Castiglione, CL. *22q11.2 Deletion Syndrome: Objective Assessment of a Newly Identified Facial Phenotype*. Platform Paper presented at the 72st Annual American Cleft Palate Craniofacial Association (ACPCA) National Convention, Palm Springs, CA, April 20-25, 2015.
- Mabry, K, Rutherford, K, Weiss, J, & Castiglione, CL. *Non-Surgical Management of Velopharyngeal Insufficiency in Pediatric Patients With 22q11 Deletion Syndrome*. Platform Paper accepted at the 72st Annual American Cleft Palate Craniofacial Association (ACPCA) National Convention, Palm Springs, CA, April 20-25, 2015.
- Mabry, K., Langevin, K. (2014). *Pierre Robin Sequence: Feeding Management Across Interventions*. Short Course presented at the 71st Annual American Cleft Palate Craniofacial Association (ACPCA) National Convention, Indianapolis, IN
- Mabry, K., Langevin, K. (2013). *22q11.2 Deletion Syndrome: Objective Assessment of a Newly Identified Facial Phenotype, Pilot Study*. Platform Paper presented at the 12th International Congress on Cleft Lip/Palate and Related Craniofacial Anomalies, Orlando, FL.
- Mabry, K. (2012). *Navigating the Complex Feeding Needs of Children with Craniofacial Disorders: From Birth to Bonegraft*. Short Course presented at the 69th Annual American Cleft Palate Craniofacial Association (ACPCA) National Convention, San Jose, CA.
- Mabry, K. (2011). *Feeding The Child With A Cleft Lip/Palate: Birth To 12 Months*. Eye-Opener Session presented at the 68th Annual American Cleft Palate Craniofacial Association (ACPCA) National Convention, San Juan, PR.
- Mabry, K., Langevin, K. (2009). *Team Care: A Primer*. Eye-Opener Session presented at the 66th Annual American Cleft Palate Craniofacial Association (ACPCA) National Convention, Scottsdale, AZ.
- Mabry, K., Langevin, K. (2007). *C.O.R.E.: Craniofacial Outreach Exchange*. Poster session presented at the 64th Annual American Cleft Palate Craniofacial Association (ACPCA) National Convention, Denver, CO.

- Mabry, K. (1998). *Early intervention for children with cleft palate: Incorporating oral-motor goals*. Workshop presented at the Annual American Speech-Language Hearing Association (ASHA) National Convention, San Antonio, TX.
- Mabry, K., Gilbert, H., & Lerman, J. (1998). *The relationship between Nasometric measures of speech and peak airflow*. Poster session presented at the annual American Speech-Language Hearing Association (ASHA) National Convention, San Antonio, TX.
- Mabry, K., & Munroe, S. (1996). *Early intervention for children with cleft palate: A window of opportunity*. Poster session presented at the annual American Speech-Language Hearing Association (ASHA) National Convention, Seattle WA.
- Mabry, K. (1995). *A parent's role in stimulating speech & language development for children with cleft lip/palate*. Paper presented at the first annual Wide Smiles Symposium, Stockton, CA.

PROFESSIONAL ORGANIZATIONS & APPOINTMENTS

- American Speech-Language Hearing Association (ASHA), member 9/86 - present
- American Cleft Palate Craniofacial Association (ACPCA), member – present
 - ACPCA International Outreach Committee Member 2012 - present

- Kathmandu Craniofacial Outreach Program, Co-Developer and Program Director, 2004-15

VOLUNTEER ORGANIZATIONS

Operation Smile Medical Volunteer – Inaugural Mission to Kinshasa, DRC, Africa (6/2011)
Santa Cruz, Bolivia (10/2015)

Global Smile Foundation Volunteer- Guayaquil, Ecuador (3/9/16, 3/4/18)
Global Smile Foundation Ethics Review Board – member 2018-19

Operation Smile Club of SCSU – Founder and Academic Advisor, 2013- current

Oak Grove Montessori – Board of Trustees, 2015- current
Committee on Trustees – Chair 2017-current

AWARDS & HONORS

- 2015 Pioneer Award, The Multi-State Collaborative at Southern Connecticut State University
- 2004 Volunteer Service Award (as member of the Columbia Volunteer Fire Department), State of Connecticut
- 1993 Recipient of Rotary International Scholarship. Award facilitated one month of personal and professional study of Craniofacial Disorders in Japan

PROFESSIONAL DEVELOPMENT

2018 – Attendee: CCMC Grand Rounds (6/19/18, 5/22/18, 5/15/18, 3/6/18, 2/6/18, 1/16/18)

March 2018 – Attendee: Global Smile International Medical Mission: Daily rounds with surgical teams and observations in the operating room.

2017 – Attendee: CCMC Grand Rounds (12/12/17, 11/21/17, 10/3/17, 9/12/17, 6/13/17, 5/9/17, 5/16/17, 3/14/17, 1/10/17)

April 2017 – Attendee/Presenter: American Cleft Palate Craniofacial Annual Conference, Colorado Springs, CO

2016 – Attendee: CCMC Grand Rounds (11/10/16, 10/20/16, 9/20/16, 5/3/16, 3/29/16, 2/23/16, 1/26/16)

March 2016 – Attendee: Global Smile International Medical Mission: Daily rounds with surgical teams and observations in the operating room.

2015 – Attendee: CCMC Grand Rounds (11/24/15, 11/3/15, 9/22/15, 4/14/15, 2/17/15)

October 2015 – Attendee: Operation Smile International Medical Mission: Daily rounds with surgical teams and observations in the operating room.

August 21, 2014- Attendee: Multi-State Collaborative Pilot Study Conference, Central Connecticut State University, New Britain, CT

May 8, 2014- Attendee: An Overview of the Multi-State Collaborative Pilot Study Webinar

March 2014- Attendee/Presenter: American Cleft Palate Craniofacial Annual Conference, Indianapolis, IN
