**HOW DO I GET MY TEAS SCORE AND HOW DO I SUBMIT IT WITH MY NURSING APPLICATION?**

Upon completion of the online version of the TEAS test, your test will be scored immediately, allowing you to view your TEAS score report at that time. You can access your ATI TEAS Score Report at any time through your ATI Account under My Results. The total score is an adjusted percent correct score which ranges from 0.0% to 100%. A total score indicates one's overall preparedness for early success in a nursing or health science program. Scores are automatically viewable by only the school where you took the TEAS exam. If you want to send your transcript to a different school, visit [http://www.atitesting.com/ati\\_store/product.aspx?zpid=942](http://www.atitesting.com/ati_store/product.aspx?zpid=942) to purchase and send an official TEAS transcript to the school of your choice.

You will upload your TEAS report to your online nursing application. Information sessions about the nursing application will be scheduled from late October through November. (See sign with information regarding the Nursing Application.)
