RESOLUTION REGARDING NEW LANGUAGE FOR THE GRADE REPLACEMENT POLICY

*Whereas* Southern Connecticut State University (SCSU) exists for the primary purpose of furthering academic excellence;

*Whereas* the SCSU Faculty Senate is the official representative body of the Academic Faculty;

*Whereas* the SCSU Faculty Senate is committed to academic achievement and student success;

*Whereas* the SCSU Faculty Senate is committed to transparency and clarity regarding academic policies;

*Whereas* the current Grade Replacement policy has proven to be difficult to administer;

*Therefore, be it resolved* that the Grade Replacement Policy be changed to read:

**COURSE GRADE REPLACEMENT**

A student may retake a course for a different grade by registering for the course again. Although both grades will appear on the student’s transcript, the higher of the two course grades will be used to calculate the student’s University GPA. The student shall receive credit for the course only once. Students are strongly encouraged to meet with their academic advisors before pursuing a replacement grade. Replacement may be pursued only once per course, and only for a total of five courses. The first five courses retaken will be the ones for which he grade will be replaced. If a course taken as a writing intensive "W" course is retaken without a "W" designation, the higher of the two course grades will be used to calculate the student's University GPA. The original "W" may still be used to fulfill a "W" requirement, as long as the student received a passing grade for the "W" course. Once awarded a degree, a student may not go back and replace individual courses within that degree. Note that some SCSU programs may require that all grades be used to calculate the student’s University GPA. These conditions are indicated in the Undergraduate Catalogue information for such programs.
