Faculty Senate Resolution on the Involvement of the Faculty Academic Strategic Planning Committee in Academic Strategic Planning at Southern Connecticut State University

Whereas SCSU exists for the primary purpose of furthering academic excellence;

Whereas the Faculty Academic Strategic Planning Committee (FASP) was formed in 2001 as an elected standing committee of the University Faculty Senate dedicated to Academic Strategic Planning;

Whereas the Faculty Academic Strategic Planning Committee worked in collaboration with the Deans Council to develop the University's first Academic Strategic Plan, which was completed in 2004;

Whereas the 2007 University Strategic Plan drew "substantially upon the 2004 Academic Strategic Plan to acknowledge the centrality of academics to the mission of the University";

Whereas members of FASP served on the University Strategic Planning Review Committee (USPaRC) charged with the implementation of the University Strategic Plan 2007-2012;

Whereas the Co-Chairs of FASP, as members of USPaRC, met regularly with the University Budget and Planning Committee regarding the implementation of the University Strategic Plan, 2007-2012;

Whereas the members of FASP were involved in Spring 2015 in "developing and refining the action steps needed to achieve the objectives and goals" of the 2015-2025 University Strategic Plan;

Whereas FASP has been integrally involved on an ongoing basis in academic strategic planning since its inception as a committee;

Whereas "Goal 1," "Objective f," "Action Step 1," of the 2015-2025 University Strategic Plan calls for the creation and implementation of a "sustainable Academic Strategic Plan";

Whereas it is the established purpose of FASP to participate in the development of Academic Strategic Plans for our institution;

Therefore, be it resolved that the Faculty Academic Strategic Plan Committee be centrally involved in the work of the implementation committee appointed to oversee the 2015-2025 University Strategic Plan.

Approved by the Faculty Senate, May 4, 2016
