1. Wording of Tier 3 instructions
Currently, all student degree evaluations at the Tier 3 capstone section include the wording:
“Prerequisite: Completion of at least 7 Tier 2 requirements”

Because of the 2015-16 UCF vote to reduce the Tier 2 requirements to 6 of the 7 categories (except NW I & NW II) we need to change the wording on the degree evaluations.

Motion by Cindy Simoneau that we change the language to:

“Prerequisite: Completion of at least 6 Tier 2 requirements”

Second to motion by Mary Pat Lamberti

No discussion.
