NMC felt pretty strongly that IDS 471 is NOT an MDC prefix. We tabled the proposal given that they have to change the prefix one way or the other (see motions below).

Motion for IDS 110 & IDS 320 – NMC co-chairs will email instructors notifying them of the new MDC prefix and asking them if they wish to switch to MDC or to a department; they will submit an RCP with prefix change and rationale for choice.

Motion for IDS 449, 452, 470, 471 – NMC co-chairs will email instructors notifying them of the new MDC prefix and asking them if they wish to switch to MDC or to a department; they will submit an RCP with prefix change and rationale for choice.
