Announcement
- PRAC Subcommittee Meeting Dates for Fall Semester: Sept 15, 29, Oct 13, 27, Nov 10, Dec 1

New Business
- Philosophy has asked for an extension. After discussing the process of reviewing their report, it was decided that an extension will be given until Nov 3, 2016. PRAC will then meet with Philosophy to discuss their report on Nov 10, 2016 and vote on approval on Dec 1, 2016.

- Journalism has also asked for another extension. After discussing the process of reviewing their report, it was decided that an extension will be given until Oct 26, 2016. As noted in our minutes of March 17, 2016, no revisions of substance are required. Only the language and organization of the document need to be revised. Therefore, the committee felt that this extension will provide adequate time to make the necessary edits and revisions. Journalism’s assessment document will be forwarded to the Provost’s Office on October 27, 2016.

Meeting adjourned at 10:49pm
