University-Wide Impact Committee Minutes 11/06/14

I. Call to Order
The meeting was called to order at 9:45am (quorum reached).

II. Old Business
a. Grade Replacement Policy
   The following questions were discussed:
   • Should grade replacements be automatic for the student?
   • Should only the higher grade count? (The current policy is to have the 2nd attempt at the course count.)
   • Should we allow 15 credits, 5 classes, or 16 credits of grade replacement? (K. Kruczek will ask the registrar if we have any idea how many students actually use all 15 credits of grade replacement?)
   • Can you only retake a course once?
   • What should be the timeline for a student applying to have a grade replacement? (Currently it has to be done by the end of add/drop period.)
   • How do we advertise this policy effectively?
   • How can we modify the language about retaking course a 3rd time? It is currently quite confusing?
   • Should we include language about students retaking a course off campus (and grade replacement and the effect on their GPA)?
   • In a separate issue, can you replace an F received because of Academic Dishonesty? (Is it noted on the transcript at all? Should it be?)

III. New Business
a. Minimum prerequisite grade / GPA requirements for programs
   A discussion was had, but the committee felt it was not a concern at this time.
