I. Call to Order  The meeting was called to order at 9:40 am (quorum reached).

II. Old Business

IDS courses  Discussion points included the following:

- Should we have a different prefix for courses that are interdisciplinary, but not required course for IDS students?
  - The consensus was yes. We are working on a name, possibly Transdisciplinary (TDC).

- Should all TDC courses be cross-listed with a “home” department or can a course just be TDC?
  - There was no real consensus on this.

- What will be the course flow for these TDC courses?
  - Before going to NMC, will the course be approved by a home department and/or an SCC?

What makes a course TDC vs being just cross-listed?
