I. W Program Proposal Presentation
   a. Debby Carroll and Karen Burke put together a presentation on the current state of the W program proposal
   b. The proposal will be submitted for external funding
   c. Pending funding, further discussions will be initiated with the administration of the feasibility of long-term support for the proposal
   d. Members discussed the consequences for WACC and potential timeframe for those changes
   e. Although the changes would not be implemented for 2 to 3 years, some changes to the WAC committee might be merited for next academic year, or perhaps the year after
   f. Further discussion required, but time expired

II. W course Proposals
   a. The committee began to discuss the following proposals, but were unable to reach a consensus or vote, so they have each been TABLED for next meeting.
      b. CHE 490: Chemistry Research
      c. CHE 491: Chemistry Research
      d. SWK 330: Social Welfare Institutions and Policies I
      e. GEO 341: Asia

III. Adjourn 10:55am

Respectfully Submitted to UCF
