WACC Meeting 4/12/18 notes

Present: Wes O’Brien, Matt Miller, Richard Zipoli, Claire Novosad (co-chair), Yan Wei, Marie McDaniel (co-chair), Elizabeth Kalbfleisch

We discussed the following proposals:

- NUR 340 Theoretical Foundations of Professional Nursing, Borgognone
  Approved 6:0:0
- PHI 270 The Philosophy of Education, Gatzke Revise
  and resubmit 5:1:0

We discussed some issues concerning the committee, including the fact that WACC “vacancies” were included on the recent election ballot; Wes agreed to email the senate to inform them that the committee is a UCF subcommittee and not a Senate committee. The Senate only administers the election for convenience.

We discussed the proposal form, and changes we would like to make. Unfortunately, we ran out of time, but plan on voting on this issue before the end of the semester.

Respectfully submitted to the UCF,
Claire Novosad
