9. Report from President’s Leadership Council meeting, December 9, 2014. From the President:
   ● Pres. Papazian expressed her thanks for all the wonderful things the faculty is doing.
   ● Latest General Fund recision for SCSU is $462,315 (+$366,498 for fringe; total impact = -$828,813).
   ● Faculty and some staff searches underway are continuing; goal is to achieve 435 FT-faculty level (every new request will be assessed individually).
   ● FY 16 & 17 (new biennial budget) are expected to be very lean, with a $9M shortfall projected.
   ● The projected $9M budget shortfall is equal to the adjunct faculty budget of approximately $9M.
   ● 55% of income comes from tuition and fees; 80% of expenditures are for salaries and fringe.
   ● Key to budget challenges is enrollment.
   ● Enrollment YTD for Spring 2015 — SCSU: 3.2% decrease; CCSU: 3% increase. Reasons for deflection: LEP and foreign language requirement. (“Do we want the perfect to be the enemy of the good?”)
   ● Winter schedule based on what students want to take and when: online sections up from 22 to 60.
   ● “We are burdening our students when we don’t do everything possible to graduate them in 4 years.”
   ● It is expected that performance-based budgeting at least will be discussed in next legislative session.
